

MEDICAID MATTERS!

Medicaid is a public insurance program that provides health coverage to low-income families and individuals. Medicaid—you may know it as “the medical card”, “All kids”, “government health insurance”, or “FamilyCare.”

Medicaid covered services are comprehensive! It includes doctor visits, hospital care, medically necessary surgeries and ER visits, vision, hearing, dental, behavioral health, prescriptions drugs, labs, and more. **You must live in Illinois and, generally, also be of low-income to qualify for the programs described below.** Income guidelines vary per program.
